## **ONLINE AUCTION FAQ:**

**\*How to Register:** Go to [www.BidNow.us](http://www.BidNow.us) and click on the 'Register To Bid' button or you can click "Register" in the top right corner. Read the terms and fill in the requested information, then submit the information and a user number will be emailed to you immediately. If you have questions call 989.823.8835.

**\*How to Bid:** Go to [www.BidNow.us](http://www.BidNow.us) & click on 'Current Auctions' and then scroll down the list to the Auction you are looking for. Then Click on the "Enter Auction" link. At the right of each item is the current high bidder's # and the current bid. If you would like to bid click the "Bid" button. You will then be asked to login if you haven't done so already. For the 'next required bid' you may simply click that button and it will autofill the amount in the bid box (or you can bid your 'max bid' which may be higher than the next required bid and the computer will place bids for you at the next required increment as others bid against you). You will be asked to agree to the terms of the auction and asked if the bid on the screen is correct and then you must hit 'place bid'. Once your bid is submitted the box around the item will either turn **GREEN** or **RED**. If it turns **Green**, that means you are in the lead on that item and your bid number should appear next to the bid amount. If it turns **Red**, that means someone else has previously placed a higher 'max bid', and your bid number will not appear next to the bid amount. Please call if you need assistance placing a bid!

**\*Bid by Phone:** If you have trouble placing your own bids, please call our office during business hours and we will help you place your bid over the phone!

**\*Is there a 'Watch List' for watching certain items?** There is, but you must be logged in to create the list. To the far right of every item, you will see the 'Watch' button. When you click on 'Watch' the item will go to your watch list and the eye will turn green. At the top of any bidding page you can click on the 'Watch List' button and it will show you all the items that you are 'Watching' or have already placed a bid on. If you are the high bidder on an item there will be a GREEN BOX around it and if you had been outbid on an item there will be a RED BOX. If you are done watching an item you can remove it from this page by clicking on the 'watch' button again. Please call if you have questions!

**\*When does the bidding end?** The items begin closing on **Tuesday, December 15<sup>th</sup> at 6:00 P.M.** Items will Close at a rate of 1 item per Minute beginning with Item #1. While the auction is open there will be a live running timer showing how much time is left to bid on an item. This auction will feature our automatic extension system which grants a five minute extension to the end of the auction of any item receiving a bid during the last five minutes. The item will then close when five minutes have elapsed without any activity. **Note:** We are always available by phone when the auctions are closing.

**\*The Easiest way to watch the Auction while it is closing is with the 'OPEN' bidding status Link:** There are boxes at the top of the Bidding Page, under 'Bidding Status' that read 'Open or Closed'. Click on the 'Open' and it will be like watching a live auction. Every time you refresh your page by clicking on the magnify glass icon, it will automatically show the very next item to close at the top of the page and remove the closed items. If you do not refresh your page the items will remain on the page and show as completed. Please call us while the auction is closing if you have trouble finding the 'Open Items' box! This will prevent you from having to scroll through all the pages to find the next item closing!

**\*What is the Buyer's Premium?** It is a fee that is added to the final bid that goes to the auction company. For this auction, there will be a **6% BP** charge added to all items purchased. If paying by credit card or PayPal, a 9% BP will be charged.

**\*How to Pay:** You can pay in person at the auction location during the scheduled pickup time in the form of cash, cashier's check, credit cards or wire transfer (call the office for wire transfer instructions). Personal or Business checks over \$1,000 must have a bank letter of credit unless known by auction company (call if in question). Shortly following the conclusion of the auction on Tuesday Night, an invoice will be emailed to you. Bring Driver's License w/ you to pick up items.

**\*PICKUP DAY:** **Thursday, Dec. 17<sup>th</sup> from 11:00 am to 4:00 pm. ITEMS MUST BE PAID FOR BY 4 pm on Thursday but can be picked up later by appointment.** Please bring help to assist in loading larger items. Loader tractor available.
