Items that DO NOT Receive a Bid:

If you’ve consigned an item that does not receive a \$3 bid, you may either:

- 1) **pick up your non-selling item(s)** the FIRST DAY OF CHECKOUT,
- 2) **call ahead to have us hold your item(s)** until you’re able to come pick them up, or
- 3) **abandon your non-selling item(s)** – which shall then become the property of Albrecht Auction and re-auctioned (with other non-selling items) to raise funds for the City Rescue Mission of Saginaw. If you are concerned that some of your items may not receive a bid in one of our auctions, consider grouping them up into larger lots.

The list above is not all-inclusive, and **we reserve the right to refuse any item, for any reason.** There will be very few exceptions with the items listed above - if you are unsure whether or not your item will be accepted on consignment, please speak with one of our workers before dropping it off. If you have dropped off an item that is not accepted, it will be your responsibility to return and pick your refused item up.

NOTE: Whether or not an item sells, the \$3 listing fee will still be assessed.
